

# La NENA LLEONA

Olivia Hope

Fiona Woodcock

Des de l'andana, la Lea va veure  
els llums taronges del tren exprés  
que les duria, a la mare i a ella,  
fins a la gran ciutat.

An illustration of a train scene. On the left, a woman with brown hair and freckles, wearing a red and white patterned dress, holds a striped cup and reaches up to hold a handrail. In the center, a woman with red hair and glasses sits on a bench with a small child with yellow curly hair. On the right, a man with a purple mohawk and a striped jacket holds a large orange book. The background shows a train and a station platform.

La Lea no es podia creure el que veia.

Al tren, tothom semblava  
una miqueta extraordinari.

Així que la Lea va decidir que  
ella també ho seria.

De cap...

...a cua.
